

KRG COMPUTER PVT. LTD.

Testimonial for Sunil Jaiswal

I'm **Amit Jindal**, director of **Krg Computers Pvt Ltd**, into the category of Computer Hardwares & Peripherals.

I had the pleasure of meeting **Mr. Sunil Jaiswal** through **BNI Sparkz**, and it has been wonderful getting to know him and his business.

I had an excellent experience working with Mr. Sunil Jaiswal from Bhoomi Realtors. His market knowledge, transparency, and dedication made the entire property process smooth and stress-free. He truly understands client requirements and suggests the best options accordingly. I connected him to Meghraj Singh Rathore for his warehouse requirements & the closure was done as expected. I highly recommend Bhoomi Realtors and Sunil ji for anyone looking for trustworthy real estate broking services.

I have complete confidence in recommending Sunil Jaiswal to my entire network. I will always be happy to refer him to my contacts, knowing they will receive not just the property but also outstanding service and a memorable experience.
